# Lostness in EUROPE

**514**  
people groups  
with little to no  
evangelical  
influence

**23,367** Dying daily without Christ

**Europe is the most lost continent on earth with less than 1% evangelical Christians.** As the influence of historically religious cultures fade into the world of secularism and relevant truth, the need for the gospel is ever expanding. Globalization brings the peoples of the world to Europe providing opportunities to engage the unreached from around the globe.
